

Moder Patshala, My Place for Home Work

Feroza Begum Shimun

11th Grade, Central High School, Philadelphia

My name is Feroza. I go to Central High School in 11th grade. I just want to take the time and thank all the elders who dedicated their time in helping me and other frustrated Bengali students like me. Thank you for

helping me in time of need. Moder Patshala is a great program for new Bengali students. Well first of all Moder Patshala is a program built for

new Bengali students. It's a program that provides help with homework, school projects and or other activities involving schoolwork. Moder Patshala is a great program. The mentors in Moder Patshala helped me improve my grade by so much that I can't thank them enough. I would especially like to thank Zakir uncle who started this program. I would recommend other Bengali students who in need of help to go to Moder Patshala. I'm sure you'll appreciate the help from there!
